

The Test of English for International Communication (TOEIC) is "an English language test designed specifically to measure the everyday English skills of people working in an international environment."

TOEIC Listening & Reading Test

The TOEIC Listening & Reading Test is a 2-hour multiple-choice test consisting of 200 questions evenly divided into listening comprehension and reading comprehension.

Each candidate receives independent scores for written and listening comprehension on a scale from 5 to 495 points. The total score adds up to a scale from 10 to 990 points. The TOEIC certificate exists in five colours, corresponding to achieved results:

-  orange (10-215)
-  brown (220-465)
-  green (470-725)
-  blue (730-855)
-  gold (860-990)

TOEIC Speaking & Writing Test

Test takers receive separate scores for each of the two tests, or can take Speaking test without the Writing test.

The Speaking test assesses **pronunciation, vocabulary, grammar, and fluency**, while the Writing test examines **vocabulary, grammar, and overall coherence and organization**.

The tests are designed to reflect **actual English usage in the workplace**, though they do not require any knowledge of specialized business terms.

The TOEIC Speaking Test takes approximately 20 minutes to complete; the TOEIC writing test lasts approximately 60 minutes. Each test has a score range between 0-200, with test takers grouped into eight proficiency levels.
